## Leschaco China opened new offices in Nanjing and Qingdao

Leschaco China, the Chinese subsidiary of the Bremen/Germany-based Anker Leschaco Group further expands its network. With effect from 1<sup>st</sup> July 2009, the independently operating affiliated company opened two new offices: One in Nanjing, which is headed by Mr. Florian Fritz (28) and the other one in Qingdao, Branch Manager there is Ms. Heidi Liu (35).

(Bremen, 02.07.2009) From the beginning of the nineties the Anker Leschaco Group has been covering the Asian market. Leschaco China Ltd. was founded on June 8, 2007, the headquarters is strategically located in Shanghai. "The new Nanjing & Qingdao branch offices offer on site services for our clients. Furthermore, they strengthen the coverage in the Yangtze & the Manchuria areas", Ted Lee, managing director of Leschaco China, said.

Despite the difficult worldwide economic situation, growth in emerging markets is one of the overall targets of the intercontinental logistics provider. Jörg Conrad, owner of the Anker Leschaco Group pointed out: "It is important to demonstrate presence, particularly in these times. We are there where our customers are. And China is a market where we see a lot of potential for our services."
